FILE NUMBER	APPLICANTS NAME	APP. TYPE	DATE RECEIVED	DEVELOPMENT DESCRIPTION AND LOCATION	M.O. DATE	M.O. NUMBER
23/294	Roadstone Limited	P	06/06/2023	the development will consist of: (a) The restoration and infilling of the existing and future void over an area of (c. 17.2 ha) of existing permitted quarry (05/7029 and ABP 13.QC.2098) using approximately 2,464,000m ³ or 4,435,200 tonnes of inert soil and stone material or stone by-product, or river dredge spoil. (b) The development will consist of the restoration of the void with either: (1) Inert soil and stone waste (imported inert greenfield and non-greenfield soils and stone, and river dredge spoil) which will result in the Proposed Development operating as a soil recovery facility that requires a waste management licence from the EPA; or, (2) Soil and stone by-product (i.e. essentially virgin soil or equivalent to virgin soil and stone) which will be notified to the EPA as an Article 27 by-product at its source of origin and transported as a by-product material to enable the Site to be restored. The Site would then operate under conditions of planning. (c) The proposed development will utilise the permitted quarry infrastructure including internal roads, site office, weighbridge, wheel wash, welfare facilities and other ancillaries to complete the works. (d) Stockpiling of topsoil removed during quarrying for future implementation of a restoration plan. (e) Construction of a soil inspection shed (approximately 120m ² in area, 4m height) and refuelling area (hardstanding) located to the west of the existing site office (approximately 16m ² hardstanding area. (f) Decommissioning and disposal of existing fuel tanks at an appropriately licensed offsite waste facility. (g) Associated minor works to include site access road	09/05/2024	384/2024

PLANNING APPLICATIONS

PLANNING APPLICATIONS REFUSED FROM 06/05/2024 To 12/05/2024

in deciding a planning application the planning authority, in accordance with section 34(3) of the Act, has had regard to submissions or observations received in accordance with these Regulations;
