Application Process:

Completed application forms must be **e-mailed** to recruitment@limerick.ie.

An official application form must be completed in full by the closing date for the competition. Please note that amendments to the application form will not be accepted after the closing date. CV's will not be accepted in lieu of an application form.

Please send your application from an e-mail address that you will review regularly as communication during the assessment/selection period will only be through that e-mail address. Please also ensure that you regularly review your spam/junk email folder as occasionally your email service provider may direct emails to that folder.

Selection Process:

Candidates will initially be assessed to ensure that they have the minimum requirements for the position.

Candidates will then be assessed on the basis of the information contained in their application form to determine, having regard to the requirements of the position and the number who have applied, if they should be called for interview. Short-listing may apply.

The admission of a person to a competition, or invitation to attend interview, or a successful result letter, is not to be taken as implying that Limerick City and County Council is satisfied that such a person fulfils the requirements or is not disqualified by law from holding the position. Prior to a candidate being appointed, Limerick City and County Council will make all such enquiries that are deemed necessary to determine the suitability of that candidate. Until all stages of the recruitment process have been fully completed, a final determination cannot be made nor can it be deemed or inferred that such a determination has been made.

Shortlisting:

While a candidate may meet the eligibility requirements of the competition, if the numbers applying for the position are such that it would not be practical to interview everyone, Limerick City and County Council may decide that a number only will be invited to same.

In this respect, Limerick City and County Council provides for the employment of a short listing process to select a group for interview who, based on an examination of the application forms by an expert board, appear to be the most suitable for the position.

An expert board will examine the application forms against pre-determined criteria based on the requirements of the position. This is not to suggest that other candidates are necessarily unsuitable or incapable of undertaking the job, rather that there are some candidates, who based on their application, appear to be better qualified and/or have more relevant experience.

It is therefore in your own interest to provide a detailed and accurate account of your **relevant qualifications/ experience** on the application form.

NOTE- As part of the shortlisting process, achieving 50% in each competency will not guarantee that a candidate is called for interview. Due to the number of applicants, only a proportion of those achieving 50% in each competency may be called for interview, based on the marked awarded in the shortlisting process. Further qualified candidates may be called at a later stage at the discretion of Limerick City and County Council.

Competitive Interview:

Selection will be by means of a competition based on an interview conducted by or on behalf of the local authority. This interview may be in person or online, this is at the discretion of the Local Authority.

A panel may be formed on the basis of such interview. Candidates whose names are on a panel and who satisfy the local authority that they possess the qualifications declared for the post and that they are otherwise suitable for appointment may within the life of the panel be appointed as appropriate permanent and temporary vacancies arise.

Interview:

Candidates will be assessed at interview under the following competencies. The candidates at the interview will be questioned on at least some of the indicators listed below under each competency:
