

Kings Island Flood Relief Scheme

Works Update – 17th January 2025

- **Area A5/A6** – Lee Estate Site. Work is progressing well on the diversions of the Foul Sewer, and the haul road in preparation for the construction of the new embankment
- **Area A3** – St Mary's Park Site. Permanent fencing is progressing and should be completed in the next week or so. Work is continuing on the stripping of the site, and construction of the haul road, along with the foul sewer diversion.
- **Area B3** – Courthouse – King Johns Castle, Archaeological testing has commenced
- **Area A2** – The Riverbank walkway behind the Kings Island Community Centre and Creche will be closed from Monday 20th until further notice, with no access permitted in the area.
